Honorable John W. Macy, Jr., Chairman
U.S. Civil Service Commission
Washington, D. C.

Dear John:

Thank you for your letter of 9 January concerning the employment of the mentally retarded.

We fully support the principles and spirit of this program and would like to cooperate fully in it. As you know, however, there are security considerations and restrictions inherent in employment with us in any capacity. After giving these factors serious consideration, we have concluded that it would not be feasible for us to participate in this program. If you wish, I shall be glad to talk with you and explain our reasons more fully.

Although we cannot take a direct part in the Government's efforts to provide leadership in this area, we shall watch the progress of this program with much interest.

Sincerely,

Signed

L. K. White
